

Setting up Application Environment

Docker CLI Installation

Team ID	PNT2022TMID48837
Project Name	Skill / Job Recommender Application
Date	20 October 2022

Step 1: Download Docker from docker.com and install it by running the Docker Desktop Installer.exe file

Step 2: Go to hub.docker.com register and create an account and login with the same

The image shows two screenshots of the Docker Hub website. The top screenshot is the registration page at hub.docker.com. It features a blue header with the Docker Hub logo, a search bar, and navigation links for Explore, Pricing, Sign In, and Register. The main content area has a large blue banner with the text "Build and Ship any Application Anywhere" and a sub-header "Docker Hub is the world's easiest way to create, manage, and deliver your team's container applications." To the right, there is a "Get Started Today for Free" section with a "Sign In" link and a registration form. The form includes fields for Username, Email, and Password, along with checkboxes for "Send me occasional product updates and announcements" and "I agree to the Subscription Service Agreement, Privacy Policy and Data Processing Terms." The bottom screenshot shows the "Choose a Plan" page at hub.docker.com/choose-plan?ref=signup. It has a blue header with the Docker Hub logo, a search bar, and navigation links for Explore, Repositories, Organizations, and Help. The main content area is titled "Choose a Plan" with the subtitle "Select a plan to get started with Docker". It displays three plan cards: Personal (\$0), Pro (\$5/month), and Team (\$7/user/month). The Team plan is highlighted as the "DEVELOPER FAVORITE". Each plan card includes a description of its features and a list of included items.
